

HCHOMES
UNIQUELY NORTHWEST

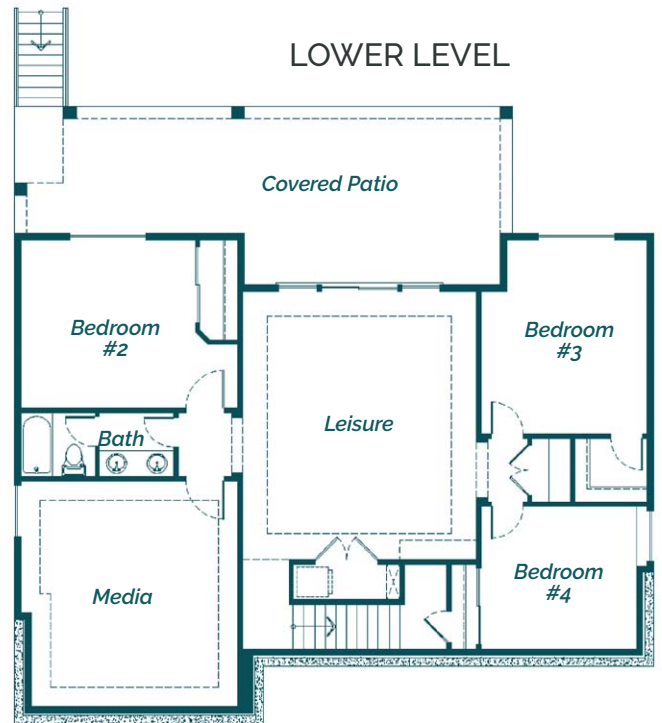

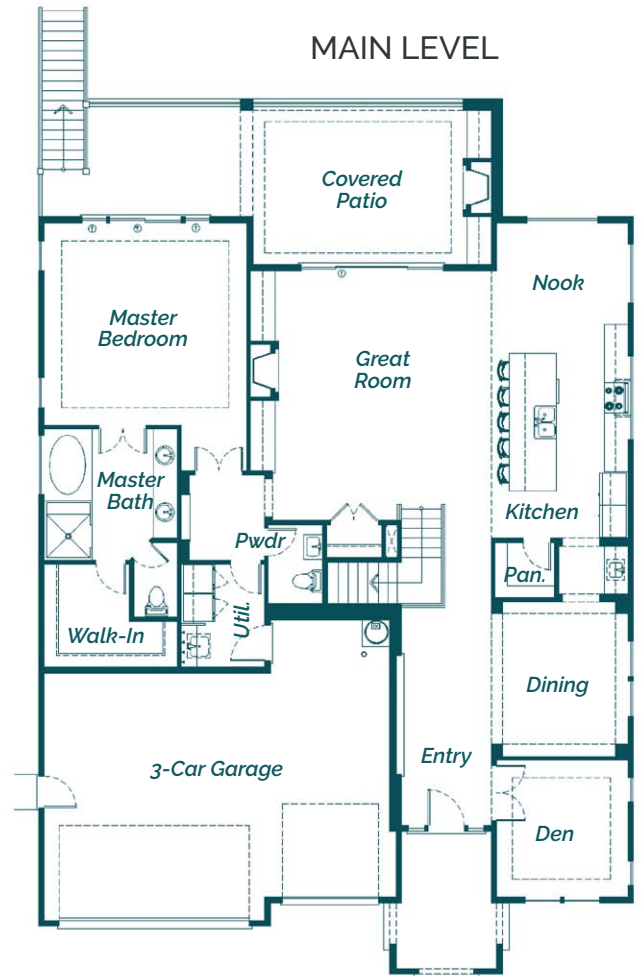

PLAN NAME: **RAINIER (PLAN A)**

PROPERTY HIGHLIGHTS

- *Approx. 3,730 Total Living Sq. Ft.*
- *5-Piece Master Bath*
- *All Wood Custom Cabinets*
- *Slab Granite in Kitchen*
- *Front & Backyard Landscaping*
- *Covered Outdoor Living Area with Gas Fireplace*

Our Rainier plan offers a very unique lifestyle than most new homes you will find in the market today. As you enter the front entry, you are greeted with a cozy den and a direct line of site to the outdoor living space at the rear of the home. Enjoy a wide open living space complete with built-in's flanking the fireplace. The main level also features a generous master suite. The lower level offers 3 bedrooms plus a media/bonus room. The kids can have their own space in the generously proportioned leisure space centrally located on this level.

PLEASE NOTE: In a continuous effort to balance market demands for quality and affordability, the builder of this property reserves the right to change plan specifications, prices and availability without notice.
